Morfa Bay Adventure Pendine 2009

This years camp was again over 5 days a Morfa bay. Fortunately the weather was a lot kinder to us than last year. During this years camp under 7 year olds were invited to attend for an overnight stay with us which they all really enjoyed. During the camp we hosted an assault course challenge to raise funds for the

Club. Many thanks to teams who took part and raised funds for the club.

The camp was split up in to groups members up to 12 and members over 12. the older members enjoyed activities such as gorge walking and coasteering. While the younger members had to suffer the haunted woods on a treasure hunt (scary).

The assault was enjoyed by all even better as it was a little warmer than last year.

The highlight of the day was a the presentation to the winning team of a large Easter egg which they kindly donated to the club for all to enjoy

for all.

The highlight of the weekend was our version of Britain's got talent. Carradog and his dog was a sight not to be missed. Many thanks to Simon and the panel for attending as well as Sharon and Ozzy for presenting the show. We all agree that the contestants for show gave first rate performances

Fishing day at Walnut Tree Farm Newport

The club was invited to enjoy a day fishing at the Walnut Tree Farm. The fishing club took time out to give the club a chance to course fish at the lake. The fishing club also paid for lunch for all who attended.

The weather could not have been better glorious sunshine even though the fish did not like it some large fish were caught but mostly small fish that day

Many thanks to Ross and Mark for organising a charity night at the Briton ferry rugby club to raise funds for the Welsh Dragon Burns Club raising over £260 for the club. Really enjoyed Mark and Ross's band performance well done both

A big thank you to all spoke to Branwen as part of our new promotional dvd which will be available on our website soon

The next world burns jamboree will be august 2010 at Gratham Water.

Clubs from all over the world have been invited to attend. Events include welcome ceremony at London and full program at Gratham water.
