Honorary Patron Mr W Dickson MBE

Many thanks to lakeside security and Swansea FC for providing the venue and funds for our xmas party 2009

## Centre Parks 2010

27 club members and volunteers spent the weekend at Centre Parks Longleat. The event was funded by Children In Need which enabled the Club to have a second visit to the holiday park.. Attending the park enabled everyone to enjoy the indoor and outdoor pools in January.

We also took part in other activities such as ten pin bowling, in line boarding, hoola-hoops and socialising in the evening. It was just a shame that the snow had cleared as it would have been so cool swimming in the outside pool with snow all around.

**The Big Pit**

On a lovely sunny day in March, 10 primary school age children left Swansea for the Big Pit in Blaena, Gwent. Leyton was driving the bus – navigated by Louise. With Terry and Liz entertaining all the kids.

We arrived at the Big Pit and were shown round before our miner Adrian took us underground for a tour of the mine. We saw all the coal faces, the tools the miners used to use and a tour of where the pit ponies lived. The scariest part was the ride down in the lift. We all wore hard hats with special lamps on.

Following our tour of the mine we went for a walk around the top of the pit and had a fab picnic before our homeward journey on the bus.
